# CREATIVE SHAPES DESIGNED FOR PRODUCTIVITY+ COLLABORATION.

## MANEUVER THROUGH LEARNING, MEETING, DINING, AND GATHERING SPACES WITH EASE.

The Maneuver collaborative collection is a flexible solution for any space. Create organic designs by combining multiple shapes of tables or use the same shape multiple times. Mix and match table shapes and sizes to create the aesthetic you want and the space you need. Add a facilitator desk to the mix for a simple and highly functional solution to fit the needs of any presenter, facilitator, or speaker. With Maneuver, anything goes.

Today's spaces require flexible solutions that are focused on solving needs. The Maneuver collaborative collection is a comprehensive offering that provides a facilitator desk as well as collaboration-focused tables. Designed to be used for gathering and interacting, Maneuver tables feature innovative shapes that easily accommodate group learning and individual comfort.

Power up any Maneuver facilitator desk or table by adding easy to use power and data grommets. Choose from a variety of applications and styles to create the right power solution for your needs. Maneuver facilitator desk bases feature an integrated cord concealment design that allows cords to be routed through the vertical column leg, away from the user and directly to the power source.

**COVE™ POWER GROMMET (G23)**
